

HPWPS & HPCC APPLICATION FORM

Why Join?

1. **Watershed Protection** – Community control of logging in the Harrop-Procter area means local people are working to protect the quality and quantity of area watersheds.
2. **Have Your Say** – The Watershed Protection Society offers you a vote in issues affecting your forest and watershed.
3. **Make it Work** – Many communities in BC and in other countries are very interested in our approach to sustainable forestry and community economic development. Such a leadership role requires a broad base of support...we all benefit if we work together.
4. **Support Community Control** – Maximum membership and participation creates the leverage needed for an extended license, a strong base for funding requests and the kind of dynamic community spirit that makes Harrop-Procter a great place to live.

Why Not Join Both?
