

Donations

While the Harrop Procter Community Cooperative (HPCC) is always receptive to donations - financial, volunteer or in-kind - the organization also aims to assist local associations, societies and clubs undertaking projects or events that better our community.

The cooperative sets aside an annual amount of funding/value of wood products available. The amount is dependent on the success of the cooperative in any given year. Initially, it was capped at \$10,000 annually.

To request wood products and/or funding, a local group needs to submit a request on their letterhead, along with a brief description of the project it is to be used for. Please see contact information under Contact Us.
